Victor Edwards P.O. Box 424 Monticello, Florida 32345 Phone: 850-997-4913

Our chairs are individually handmade of soft polypropylene rope which is colorfast, waterproof and will not mildew. We use ***mahogany*** which is finished with WATCO TEAK OIL. We recommend the mahogany for outdoor use. Oiling the frame once or twice a year, or when weathering begins to show, will restore the wood back to it's original finish. One precaution is that chairs should be given some shade as the sun's strong rays will eventually break down the fibers of the rope. We guarantee our work against defects for a period of two years from date of purchase, and can repair them after that. Re-finishing and re-roping are available for one half the current price.

Head cushions are included with all chairs * Hooks and chain are included with all hanging chairs.
Swings can be ordered without footrests
